Inaugural meeting of BWG Council

There was standing room only, in the auditorium at the Bradford Community Centre on Tuesday night, when the new Bradford West Gwillimbury Town Council was sworn in. Family members and supporters were among the invited guests who packed the hall for the inauguration.

"Council has to be sworn in to legitimize the results of the municipal election," said Town Manager Jay Currier, who emceed the evening - but there are other reasons for holding a public celebration. "It gives us all an opportunity to congratulate those who have been successful," Currier said, adding that anyone who takes on the challenges of an election campaign "deserves our recognition, and our gratitude," for stepping forward to offer public service.

An Inauguration also "punctuates the break between new and old" sittings of Council, and gives the Mayor-Elect an opportunity to set the tone of the next four years, in an inaugural address. Currier said. "It reminds us of the seriousness... of what lies ahead."

There was a measure of pomp and ceremony to the evening. Town Crier Art Meekie announced the arrival of members of the new Council, who were piped into the hall by a lone piper: Mayor Rob Keffer, Deputy Mayor James Leduc, and Councillors Raj Sandhu (Ward 1), Gary Baynes (Ward 2), Gary Lamb (Ward 3), Ron Orr (Ward 4), Peter Ferragione (Ward 5), Mark Contois (Ward 6) and Peter Dykic Jr. (Ward 7).

Following the singing of the national anthem by Heather Faris, and an opening prayer by Rev. Dan Scott, each Council member read the Oath of Office and was sworn in by His Worship Donovan Robinson, Justice of the Peace. Rob Keffer was the last to be sworn in. He was presented with his Chain of Office, before giving his first speech as Mayor of the Town.

He thanked his supporters, his campaign team - and his parents who, active in the community, "taught us to take part... and to give back." Mayor Keffer, who lost his father during the campaign, in particular thanked his mother, who was present in the audience, describing her as "my rock and my inspiration."

Keffer called the election campaign "a great opportunity to listen, to learn, to reconnect with the Town." Going door-to-door, candidates were able to speak with thousands

Draft Plan for Scanlon

The Lake Simcoe Region Conservation Authority has now released a draft of its new Management Plan for Scanlon Creek Conservation Area, based on input received from the public earlier this year.

- The 2015 Draft Plan proposes:
 - Upgrades to the Scanlon Arboretum, already underway.
 - A new boardwalk through the restored wetland.
 - Expansion of the handicapped-accessible trail.
 - An updated trail map, with additional detail.
 - Interpretive signage and self-guided trail opportunities.
 - More opportunities for volunteers to get involved.

The draft Management Plan is posted at www.LSRCA.on.ca/PlansScanlon, and will be available for review until Dec. 31. Comments can be submitted to Kate Lillie, Land Management Technician at k.lillie@LSRCA.on.ca or 905-895-1281 ext. 527.

Inaugural meeting of the 2014-2018 Council

The new Bradford West Gwillimbury Council was sworn in, Tuesday, December 2 - from left, Councillor Mark Contois, Deputy Mayor James Leduc, Councillors Raj Sandhu and Gary Baynes, Mayor Rob Keffer, Councillors Gary Lamb, Ron Orr, Peter Ferragine, and Peter Dykile Jr.

INAUGURAL from Page 1

of residents, he said. "We spoke about practical plans to build a better Town, not a bigger Town... it resonated with residents."

The new Mayor noted that his Council has a number of challenges in the coming days. Including working on a new Strategic Plan for the municipality, that will set the priorities for the next four years; approval of the 2015 Budget; and the hiring of a new Town Manager. (Jay Currier has announced his retirement, at the end of December.)

And Keffer had a promise for those who elected him: that Council would balance affordability and the needs of the municipality, and respect the taxpayer when setting the budget. "Any tax increase needs to be affordable, and tied to the services" that residents need.

He identified a need to update the Official Plan; to come up with a new vision for the use of the old Bradford Community Centre to "provide quality recreation in the old part of town"; and to move forward with bicycle trails and the development of Henderson Park.

The new Mayor spoke of focussing on job growth, on Seniors and Affordable housing, and on heritage preservation. He promised to immediately begin an Environmental Assessment to bring sewer servicing along Hwy. 88 to the 400, "sooner and more economically than waiting for the 5th Line Interchange." Keffer also promised to open a dialogue with the Province, to "get the (Bradford) Bypass back on the books."

"Your new Town Council will be collaborative, consultative, accountable and transparent," he said, and

will launch a new Residents' Engagement Process, under Deputy Mayor James Leduc, to consult with the public. "To ensure all areas of Town benefit from growth... these are our goals."

"Thank you for the honour to serve as your Mayor."

Each member of Council also spoke, thanking their supporters and the electorate - and, in the case of returning members of Council, thanking Staff for their assistance, and for acting in the best interests of the municipality.

There was also a common theme of collaboration, and a positive view of the coming term of office.

Councillor Gary Baynes announced, "I came up with a new slogan, (for) what this Council will do and how they will do it. ACTION - Accountability, Collaboration, Transparency, Integrity, Optimism, No BS."

Councillor Ron Orr agreed. "I have a good feeling about how things will be going over the next four years."

Councillor Peter Ferragine told the crowd, "I look forward to working with Staff, and also the new Council. There's a really good bond between Councillors. We're going to do what we're going to do." He promised to be a Councillor not just for Ward 5, but for all of Bradford West Gwillimbury.

"We have a great group of guys who are going to do a great job. The whole thing is to listen," said Councillor Mark Contois.

"Everyone did a fine job, going door to door... I can see this Council getting a lot done," concluded Councillor Peter Dykile Jr.

There was an opportunity to mingle after the inauguration, and to pose for photos - but the new Council began its work almost immediately, with a 4-hour in camera session on Wednesday, interviewing candidates for the Town Manager position.

Mayor Keffer noted that although it is a priority, work on a new Strategic Plan for the town would wait until the new Town Manager is in place, suggesting a start date of "January or February." It will be Council that decides whether to work on a strategic plan through Council Workshops or extensive public consultation - but, he added, "We don't want to miss anything. There's good ideas out there in the public."

VCARS cuts could impact budget

The Justice Department has announced that it will be slashing funding for the VCARS program - Victim Crisis Assistance & Referral Services - beginning in 2015.

VCARS provides support, counselling, and referrals for victims; Police Service Boards have been warned that the cuts, totalling 33% over years, will have a major impact on the provision of service in Simcoe County - which will see staff reduced from 5, to 3.

"The cuts will put more pressure on local police services to fill the gaps."

"VCARS is very crucial in how we deliver our service," South Simcoe Police Chief Rick Beazley told a Bradford West Gwillimbury Innisfil Police Services Board meeting on November 17. "If it's not being dealt with by VCARS... it will fall on the police service," Beazley warned, noting that legislation requires the provision of services. "There is a void there, certainly, that could be created."

Innisfil Mayor Barb Baguley suggested that the Board should

protest the proposed cuts - and notify the funding partners, Innisfil and BWG, of the potential financial impact. If officers are required to provide Victim Assistance, spending long hours with the victims, it will result in Overtime, she said, and "it could provide an impact on our operating budget."

The Board also decided to ask a representative of VCARS to address a future meeting, explaining the work of the volunteer organization, and the impact of the cuts.

Victim Assistance represents "a big commitment for the smaller Boards," noted PSB Chair Sharon Villani.

The Police Services Board will be meeting on Monday, December 15, 7 p.m. at the Innisfil Town Hall, 2101 Innisfil Beach Rd. Marie McCallum, Executive Director of the Barrie and Area VCARS, will give a 20 minute presentation, regarding the immediate, on-site services provided to victims of crime, 24 hours a day, 7 days a week. The public is welcomed.

Drive according to road conditions

Snow and icy road conditions contributed to a collision on December 2, around 10 p.m., that sent a South Simcoe Police officer to hospital.

The officer had parked his cruiser on the northbound shoulder of 10 Side-road near the 9th Line of Innisfil to investigate a collision, when a northbound Honda Accord lost control on the icy roads, and slid into the back of the officer's Ford Explorer.

The officer was transported to hospital with minor injuries, and released the following morning. The driver of the Honda was also taken to hospital with minor injuries.

In all, South Simcoe police investigated 8 collisions overnight, Dec. 2-3, all resulting from inclement

weather and poor road conditions. With the first official day of winter on Dec. 21, Police remind drivers to slow down, and drive according to road conditions: speed limits are intended for ideal conditions, not ice and snow.

The Festive Season R.I.D.E. program continues, with police setting up checkpoints in both Innisfil and Bradford West Gwillimbury.

On Nov. 29 a check in Innisfil stopped 75 vehicles - administering 5 roadside tests, and issuing three 3-day licence suspensions for WARM range readings. At 11 p.m., a checkpoint in Bradford stopped a total of 30 vehicles; one roadside screening test was performed - resulting a 3-day licence suspension for the driver.

South Simcoe Police held their annual "Stuff the Command Post" toy drive over the weekend - accepting donations at Bradford's Canadian Tire Store on Nov. 28, Walmart on Nov. 29, and the Alcona Sobeys on Nov. 30, for CTV's Toy Mountain, in support of the Simcoe County Children's Aid Society. Here, Mike and Debbie Boyer drop off two cartloads of gifts valued at \$300 to Chief Rick Beazley and officers, and CTV anchor Courtney Heels, at Walmart on Saturday.

A haircut with purpose

Thirteen year old Noelle was only 3 when her Mismatch (Grandfather) died of cancer.

He was Bob Crawford - White Eagle - a well-respected member of the Aboriginal community, and a former Sgt. with Toronto Police, founder of the Aboriginal Peacekeeping unit, which bridges the gap between police and First Nations communities.

At the time, his daughter Rachael, Noelle's mom, cut her long hair.

"We, as Aboriginal people don't cut our hair usually, as our teachings, lessons and wisdom are in our hair. It is very symbolic, and holds a lot of meaning," Rachael explains. "However, we are taught that it is respectful to cut our hair when we are grieving when someone dies."

Noelle remembered, and on the 10th anniversary of her Grandfather's death, she decided to cut '10 of her own hair, and donate it to make wigs for those

struggling with cancer treatment, in his memory.

She remembers her Grandfather well: he bestowed her 'spirit name' at her birth, and her brothers' names as well.

Rachael is proud of her daughter's gesture, and the focus on tradition. A branch manager for RBC, she is also the National Co-chair of the Aboriginal Employee Resource Group.

"I am excited to be able to help, as Mismatch helped so many people," says Noelle, a Grade 8 student at Mother Teresa Catholic School in Bradford.

She donated her hair, after it was cut by hairdresser Sandy Saracino, to Pantene's "Beautiful Lengths" program.

Taking the 6 Minute Walk for Breath at the BWG Leisure Centre on Thursday, November 27, raising awareness of Pulmonary Hypertension during PH Awareness Month.

Letters to the editor

PH Awareness thank-you

To the editor: The 3rd annual 6 Minute Walk for Breath took place at the BWG Leisure Centre, Nov. 20, to raise awareness and funds for research, as well as for the education and advocacy efforts of the Pulmonary Hypertension Association of Canada. With your help, we are spreading the word about this rare lung disease, in the hope of reducing the time between the onset of symptoms, and the diagnosis and treatment of PH.

This year, we are pleased to have again partnered with Nick Warman, Manager of Recreation and Client Services, and his Staff, especially Stephanie Uren, Fitness Supervisor, and Marianna Koljubic, Tri-Club Coach and Personal trainer, who also helped us with our newest awareness and fundraising event, a week-long Swim/Walk-athon. The \$20 registration fee and pledges will go to PHA Canada.

Participants logged their laps during the week of Nov. 20-26; the winners were those who completed the most laps. There was fierce competition among the swimmers and walkers. The winning swimmer completed 910 laps (22.27 km) in one week!

In the walking race, there was a tie - with one man and one woman each completing 400 laps.

We could not have achieved this without the encouragement and support of Marianna and Stephanie. Thanks also to Jody Hamilton, of the Lung Association of Ontario, for bringing information on other lung illnesses, such as COPD and Asthma, as well as smoking cessation. November is not only PH Awareness Month, but Lung Month - and the OLA is working hard to have the government of Ontario recognize the need for a Lung Health Action Plan, for the estimated 2.4 million Ontarians living with some form of lung disease.

And thank you to sponsors Peter Dykx, Jr. of Bradford Jewellery & Gems, Vicky Top of Krystal Energy, Judith Mercer of Studio 4 Custom Jewellery for donating prizes for the top fundraisers in the Swim/Walkathons; and

to Laura Vree of Sweet Handmade, for created the Gold, Silver and Bronze (cookie) medals. Also, thank you to new Council members-elect Rob Keffler, Peter Ferragino and Gary Baynes for taking time from their busy schedules to attend the 6 Minute Walk, and learn about Pulmonary Hypertension.

Thanks to all who so enthusiastically participated in our events. Together we raised \$1,577.50 for the research and education efforts of the Pulmonary Hypertension Association of Canada. You have helped us to fulfill our vision of "A Better Life for all Canadians affected by Pulmonary Hypertension."

Ruth Dolan, Director PHA Canada

Winners of the Men's Walk-athon, walking the most laps for PH - Gerald Carter in 3rd place, Jim Walker in 2nd, and in 1st place, walking 400 laps, was Zarko Tesic. First place in the Women's Walk, was Carol Comeau, who also walked 400 laps over a period of 1 week.

**LAKESHORE WATER TREATMENT PLANT PHASE 3 EXPANSION
REVISIONS AND ADDENDA TO ENVIRONMENTAL STUDY REPORT
NOTICE OF FILING OF ADDENDUM**

The Town of Innisfil completed the Lakeshore Water Treatment Plant (WTP) Phase 3 Expansion Environmental Study Report (ESR) in January 2011, which identified a preferred solution that would provide municipal water to accommodate approved future growth in the Towns of Innisfil and Bradford West Gwillimbury (BWG). The solution identified in the ESR included an expansion of the existing WTP to the north side of the property, a new intake, and twinning of the Low Lift Pumping Station (LLPS) and watermain. As the Town proceeded through the conceptual design stage of the project, a new solution was identified that has fewer impacts on the social and natural environment. This new recommended solution provides the same municipal water capacity to support future growth of both Innisfil and BWG, but includes a small expansion of the WTP to the south-east, a retrofit to the existing treatment facility and LLPS, and the twinning of the existing watermain between the WTP and LLPS. In addition, it involves using an improved single treatment process which creates less waste, provides enhanced flexibility and ease of implementation for future capacity expansions, and has a smaller construction footprint.

The new solution, including the revised design concept, measures for mitigating environmental impacts, and the amended construction schedule, is documented in an Addendum to the ESR. By this notice, the ESR Addendum is being placed on public record for a 30-calendar day review period starting December 5, 2014 and ending January 5, 2015, in accordance with the requirements of the Municipal Class Environmental Assessment process. Subject to comments received as a result of this Notice, the Town intends to proceed with the construction of this project in the summer of 2015. Please note that only changes proposed in the Addendum are open for review.

What's Next for Scanlon Creek? - Draft Plan Released

There are more great things to come for Scanlon Creek Conservation Area. The plan includes a boardwalk, arboretum, Interpretive signage and other new features!

Earlier this year, some of you shared your ideas for the future of this conservation area. Lake Simcoe Region Conservation Authority (LSRCA) has released a draft Management Plan and is seeking your input once again. How do we recognize pain in our pets?

Our pets cannot tell us when they are in pain. Dogs and cats have a natural tendency to hide signs of pain. Though animals cannot verbalize pain, they still feel pain like we do and it is our responsibility as their caretakers, to help them. Did you know that pain shows itself? Pain also has a toll on organ systems and may even lead to death. Signs of chronic ache and pain are subtle and require a particularly astute guardian to notice.

It seems obvious that an animal that is crying, whimpering, yelping, howling or meowing might be in pain. Did you know that cats can also purr when they are stressed, in distress or sore too? Reluctance to move, "slowing down", hiding/withdrawing from human contact, an arched back or drooped head and limping are all potential signs of discomfort. Decreased interest in food and water may also be due to pain. Sometimes elevating the water/food bowl will help if there is arthritis or soreness in the upper back/neck.

Temperament changes such as frequent growling, or snapping in a dog that was previously social and eager for attention may indicate they are anticipating pain. Watch for signs of lip licking, avoiding eye contact, or yawning as this often indicates a dog is uncomfortable. This is especially the case when young children are involved. An old dog with osteoarthritis may not be looking forward to a toddler's hug or desire for adventure that may involve riding their back. A painful pet will certainly be less eager to fetch a ball, go for walks, and groom themselves.

We will discuss how to help in our January column. Together, you and your veterinarian, will be able to come up with a plan that suits you and your animal friend.

Peterborough led with a goal in the second, but the Bulldogs continued to push. With 5 minutes left in regular time, Keegan Steyn made a rush up the ice to feed Jacob Lush for the tying goal. Great defensive play by Malcolm Gill, Ryan Taylor, Brenden Giasson and Daniel Crosby. Ryan Macdonald scored the game-winner in OT, from Dylan Rocha. Winning goal by Big Thunder Noah Davidson.

Great weekend, thanks to the staff, Geoff Dossey, Joseph Nanowski, Chris Harris, and all the parents for their support - and to Super Fan Eric.

Focus on Business!

There was a line-up for photos with Santa at Pet Valu on Nov. 30, but no one complained - although there was a bit of barking and growling.

The event is a fundraiser for the Lions Foundation of Canada's Dog Guide program. For a contribution to the cause, pet owners could get a professional photo of their dog, cat or even guinea pig with Santa, taken by Vicky Zanatta of ZWoman Graphics. Last year's fundraiser raised nearly \$1000.

Victorian Christmas in Cookstown

The Cookstown Antique Barn once again welcomes the festive season, with a Victorian Christmas, Dec. 6 and 7 at the Barn on County Rd. 27. From 9:30 a.m. to 5:30 p.m., drop in to see the twin live Christmas trees - decorated with modern and vintage decorations, all of them for sale - and enjoy seasonal cheer. Please bring a new toy or cash donation for the Salvation Army.

Christmas Open House at Dickey Bee Honey

Dickey Bee Honey holds its 8th Annual Christmas Open House, on Saturday, December 13 and Sunday, December 14 - this year, at its new "Honey House", 4031 - 3rd Line of Innisfil, near Cookstown. From 10 a.m. to 5 p.m. each day, drop by to see the production facility, teaching rooms, museum and shop, featuring honey and honey products, and wonderful gift baskets for every gift-giving need.

Santa will be paying a visit, from 11 a.m. to 4 p.m. on Saturday, and 12 to 4 p.m. on Sunday.

Beat the 'Flu with Food

Beating the 'Flu with Food is a free Nutritional Workshop offered by Simply For Life on Sunday, December 7, from 12 to 1 p.m. Fight the 'flu and enhance your immune system with just food, at Simply For Life, 157 Holland St. East in Bradford.

Black Friday fun at the Mall

Black Friday - the day after American 'Thanksgiving, when U.S. Retailers finally get into the "black" and profitability - has had a mixed reputation.

It's associated with huge bargains, huge crowds, and occasional over-the-top shopping violence.

But not in Canada. Canadian retailers have embraced the concept of Black Friday as a retail marketing event to launch the holiday season, and persuade Canadians to spend their retail dollars at home, instead of cross-border shopping. The bargains may not be as extreme, but the atmosphere is far more light-hearted and holiday-spirited.

At Upper Canada Mall in Newmarket, some stores opened their doors as early as 7 a.m. on November 28, although some shoppers were already lined up at 3 a.m., in the cold and the dark.

They arrived extra early to take advantage of

"door crasher" specials and give-aways. At Old Navy, the first 100 customers through the doors at each of the company's location received a wristband - and a ballot for a draw for \$1 million.

The wristbands were gone within 10 minutes of the doors opening, but it made no difference to the shoppers, hunting for bargains. Discounts ranged from 15%, to 90% on some items, at stores throughout the mall, and customers patiently waited in line to pay for their deals.

At The Disney Store, the line-up snaked through the aisles - where mouse-eared staff members, Christmas music playing in the background, kept shoppers happy and in the Christmas spirit, as they received 30% off already marked-down prices.

One shopper summed up the atmosphere: "It's fun to get into the spirit of shopping!"

Wrap it up for Charity at Upper Canada Mall

The Beta Sigma Phi Sorority gift wrapping service returns to Upper Canada Mall, Dec. 1-24.

Volunteers, like member Carol Atherton, left, and Seria, a Pickering College student, will wrap gift purchases for a donation to charity. Since the service began in 1984, it has raised about \$320,000 for local charities - which this year include the Women's Centre of York Region, Southlake Regional Health Centre, Autism Ontario, and Belinda's Place Shelter for Women.

A new home for Christine's Tax & Business Services

Christine McAlister's office has moved - but just around the corner, to a new and larger space at the front of the same building, at 74 John St. West. The building, which also houses the office of The Bradford Times, has been extensively renovated and updated.

On November 28, McAlister and her staff held a Grand Opening, at the new offices of Christine's Tax & Business Services, welcoming clients, friends and visitors to an Open House.

In photo, from left, Marlene Mernagh, Brittany McAlister, Christine McAlister - CGA, Thuy (Twee) Lam, and Marlene Falcon. For information or to book an appointment, call 905-775-4273.

Bradford's Coats for Kids campaign - a grassroots program that asks residents to donate good quality, gently-used winterwear for kids in need - received an amazing donation on December 2. A company dropped off 10 boxes of boots and shoes, all samples, in sizes from infant to Adult! "Amazing!" said volunteer co-ordinator Catherine Snow, as she unpacked the boxes.
